

RESOLUTION PASSED
BY THE MANIPUR LEGISLATIVE ASSEMBLY ON 30.7.81.

••

The Manipur Assembly notes with grave concern the 24.75% rise Indian population in the last decade as per report of the 1981 Census which has direct bearing to development process and will greatly hamper/jeopardise the onward march of our country towards economic prosperity; Reaffirms our commitment to work for the success of the voluntary population programme involving all sections of our society for the acceptance of "small family norm"; and Recommends to the State Government to set up autonomous State level population Board to prompte and monitor the population programme in the State at the grass-root level.
